

Minutes
University Committee on Courses and Curricula
April 22, 2005

PRESENT: Tim Chamblee, Amy Adkerson, David Bridges, Rita Burrell, Russell Carr, Wanda Cheek, Bruce Ebanks, Jackie Edwards-Henry, Carlen Henington, James Jones, Mark Lehman, Rebecca Long, Rogelio Luck, Beth Miller, Molly Nicodemus, Sharon Nobles, Charles Palmer, Tommy Parker, Kevin Rogers, Rudy Rogers, Emily Schultz and Robert Wolverton

EXCUSED: Michael Brown, Julie Fulgham, David Lewis, and Mary Brown

UNEXCUSED: Brett Aldridge, and Lindsey Blackwell

GUEST: Devon Brenner, College of Education, Box Council Chair

Chamblee called the meeting to order at 2:00 p.m. in Harvey's Board Room. Chamblee thanked the members for serving on the committee and complimented them for their diligence in processing the large volume of course and degree proposals this year due to IHL's requirement of 124 credit hour degree programs.

Wolverton moved, seconded by Bridges, to approve the minutes from the March 23, 2005 meeting. The motion passed unanimously.

Bridges moved, seconded by Henington, to approve the modification of AN 4313/6313 Human Identification. The motion passed unanimously.

Bridges moved, seconded by Palmer, to approve the modification of BIO 4608 Hematology, BIO 4616 Immunohematology, and BIO 4618 Clinical Chemistry. A question was raised concerning the number of contact hours versus the number of credits. It was the committee's opinion that contact hours should not exceed the allowable credit hours. It was suggested that this wording be added to the *UCCC Guide and Format*. The motion passed unanimously.

Bridges moved, seconded by Palmer, to approve the modification of CH 1213. The motion passed unanimously.

Bridges moved, seconded by Nicodemus, to approve the addition of HI 4193/6193 U.S. Environmental History, HI 4213/6213 History of Grand Strategy and International Security, HI 8933 Colloquium in Colonial and Revolutionary America, HI 8943 Colloquium in U.S. History from 1787-1877, HI 8943 Colloquium in U.S. History from 1877-1945, and HI 8963 Colloquium in U.S. History from 1945-present. The motion passed unanimously.

Bridges moved, seconded by Henington, to approve the modification of MA 0103 Intermediate Algebra, MA 1313 College Algebra, and MA 3163 Introduction to Modern Algebra. The motion passed unanimously.

Palmer moved, seconded by Ebanks, to approve the addition of PSY 4753/6753 Applied Cognitive Psychology, and PSY 8731 Applied Cognitive Science Research Seminar. The motion was passed contingent on receiving additional information on graduate student requirements.

Bridges moved, seconded by Palmer, to approve the addition of IB 1001 International Business Freshman Seminar, and MGT 4563 Staffing in Organizations. The motion passed contingent on receiving clarification of the exams and title change of IB 1001.

Bridges moved, seconded by Nicodemus, to approve the modification of EDF 9453 Qualitative Techniques in Educational research and the addition of EDF 9463 Qualitative Data Collection in Education, EDF 9473 Qualitative Data Analysis & Presentation in Education, and TKI 9213 Foundations, Trends, and Issues in Workforce Development. The motion passed unanimously.

Bridges moved, seconded by Nicodemus, to approve the modification of ASE 1023 Introduction to Flight Mechanics, ASE 2013 Astrodynamics, Propulsion and Structures, ASE 3123 Static Stability and Control and the addition of ASE 6013 Directed Project in Aerospace Engineering. The motion passed contingent on receiving a clarification of the prerequisites for ASE 1023.

Bridges moved, seconded by Nicodemus, to approve the addition of IE 4923/6923 Six Sigma Methods & Projects. The motion passed contingent on receiving a grading scale for the course.

Bridges moved, seconded by Miller, to approve the review of FO 8133 Forest Ecophysiology. The motion passed unanimously.

Bridges moved, seconded by Henington, to approve the modification of the Ph.D in Animal Physiology, the Ph.D in Nutrition, and the Ph.D. in Plant and Soil Sciences. The motion passed unanimously.

Bridges moved, seconded by Henington, to approve the modification of the M.S. in Physics and Astronomy. The motion passed unanimously.

Henington moved, seconded by Palmer, to approve the modification of the M.A. in History and the Ph.D. in History. The motion passed unanimously.

Bridges moved, seconded by Nicodemus, to approve the modification of the Ph.D. in Elementary Education, Secondary Education, and Curriculum and Instruction. The motion passed unanimously.

Bridges moved, seconded by Nicodemus, to approve the modification of the Six Sigma Certificate Program and the Ph.D. in Engineering-Physics Concentration. The motion passed unanimously.

Henington moved, seconded by Nicodemus, to approve the modification of the B.S. in Interdisciplinary Studies. The motion passed unanimously.

Bridges moved, seconded by Henington, to untable and approve the addition of TKI 3383 Forecasting and Cost Modeling. The motion passed unanimously.

Bridges moved, seconded by Henington, to untable and approve the modification of the B.S. in Industrial Technology-Manufacturing and Maintenance Concentration, B.S. in Industrial Technology-Industrial Automation Concentration, B.S. in Industrial Technology-Industrial Distribution Concentration, B.S. in Technology Teacher Education-Industrial/Technical Education Concentration, and the B.S. in Technology Teacher Education-Business Technology Concentration. The motion passed unanimously.

Bridges moved, seconded by Wolverton, to untable and approve the Elementary and Secondary Education course and degree proposals as corrected and revised by the College of Education. The motion passed unanimously.

Bridges moved, seconded by Henington, to adjourn at 2:58.
